UBS Equity Plan Advisory Services to Present at EASi User Conference

San Diego, CA – March 26, 2014 – UBS today announced it is participating as a sponsor at the Equity Administration Solutions, Inc. annual user conference, “EASi Summit 2014,” at the Hyatt Regency Mission Bay in San Diego this week. The two firms have been collaborating to serve mutual clients since early 2008.

Michael Ganguzza, Financial Advisor and Corporate Stock Benefit Consultant along with Kurt Grunsfeld, Director of Business Development for UBS’s Equity Plan Advisory Services, will present “Moving Beyond Employee Education to Employee Engagement.” The session shares UBS research findings from survey data of nearly 600 equity participants in a variety of companies, industries and service providers.

UBS Equity Plan Advisory Services, which offers plan administration and transaction solutions to more than 155 companies representing one million-plus participants in over 150 countries. UBS works with EASi to service a significant portion of its partial administration business. UBS and EASi developed a Direct Broker Interface (DBI) to support stock options, restricted stock awards/units, performance awards/units, SARs and ESPPs.

About UBS Wealth Management Americas:

UBS Wealth Management Americas provides advice-based relationships through financial advisors who deliver a fully integrated set of products and services specifically designed to address the needs of individuals and families.

About EASi:

Since 2002, Equity Administration Solutions, Inc. (EASi) has been making it easier for companies to compensate top talent with share-based awards. EASi’s user friendly, web-based technology streamlines plan management, financial reporting, and analysis so that clients can focus on driving strategic value from their equity compensation programs. With technology based on in-depth accounting expertise and a flexible broker of choice model, EASi has helped more than 850 companies worldwide innovate their equity management processes.
