Wendy Nieto Joins Certent as Chief Financial Officer

Pleasanton, CA – January 26, 2016 – Certent, Inc., a leading provider of software-as-a-service (SaaS) solutions for equity compensation and financial disclosure management, announces that Wendy Nieto has joined Certent as chief financial officer (CFO) effective today.

“I am excited for the opportunity to join Certent’s executive team,” said Nieto. “The company’s record growth in the financial compliance market demonstrates its commitment to providing robust solutions and comprehensive services to its clients. I look forward to helping continue this success.”

Ms. Nieto comes to Certent with more than 20 years of finance and operations experience at numerous high-growth companies and brings with her an extensive background in corporate finance, financial planning, investor relations, SEC reporting, and business operations. Nieto most notably served as chief financial officer at Intraware, Inc. where she led all accounting, finance, HR, legal and IT activities. Prior to Intraware, Nieto held various corporate accounting and finance positions at Chiron Corporation.

“Wendy’s depth and combination of corporate finance and business leadership experience makes her a key addition to the leadership team at Certent,” said Michael Boese, Certent’s president and chief executive officer. “Her past achievements growing and scaling organizations will help drive Certent’s strategic initiatives and position the company for even greater momentum in 2016 and beyond.”

Nieto holds an MBA from St. Mary’s College, a BS in Accounting from California State University, Hayward, and is a Certified Public Accountant.
